THANKS FOR YOUR PRAYER OF AGREEMENT FOR THE CONTAINERS NEW HOPE HAS SETTING IN BIRMINGHAM. IT IS TIME FOR THEM TO GO TO NICARAGUA!

After nearly two months in the United States, the Marroquin family, Leo, Charity and little Grace flew back to Managua, Nicaragua on Sunday morning (23rd). It was time for them to return to the children at New Hope Children's Home and their other duties at More Than Conquerors school in El Crucero, Nicaragua.

On Saturday morning, on their way to where they would be boarding their plane, Leo, Charity and Grace had the opportunity to visit one more church, Living Word Sanctuary in Valparaiso, Indiana. Pastor Dorris Dunlap had arranged for a

EMERGENCY ALERT... NO PAY... NO TEACHERS!!!

Today (Wednesday - May 26th), our teachers went to the Managua to vocally protest their "No Pay" dilemma. Heavy rains kept them from going for several hours, but they remained determined. When the rain finally slowed down, they went and made their stand at the Ministry of Education!

We appreciate so much Moses, Anna, Jim and the rest of our New Hope staff for going the extra mile and taking such good care of things, (including the birth of little Isaac) while Leo and Charity were in the States.

special breakfast at her church so her members could meet and visit with Leo and Charity. It was another opportunity for Leo and Charity to share about what's going on at New Hope Children's home and MTC Primary and Secondary schools.

OPEN DOORS... During their time in the U.S., Leo and Charity were blessed with many other "open doors" to visit and share. We do not know who you all are but God does, and we pray He will pour out such a blessing on your home and ministry that you can not contain it. Believe it! Receive it! And thanks again!

GOOD NEWS...MOSES AND ANNA'S FOUR WEEK OLD BABY ISAAC IS HEALTHY AND GROWING! Little Isaac created quite a stir when he decided to come into this world about a month too early. But we thank the Lord, there is a good ending to this event. After a very "rough start,"

The Nicaraguan government has paid "NOTHING" towards our teachers' salaries for 10 weeks. New Hope paid the teachers in full for the first 6 weeks, but the teachers have received no pay for the last 4 weeks. Very few people among the middle working class in Nicaragua have saving accounts to draw on when they have a need. The same is true concerning our MTC teachers. This "no pay situation" has frustrated our teachers so much, they said they will leave our school if they are not paid at

once. How would you feel under a similar situation?

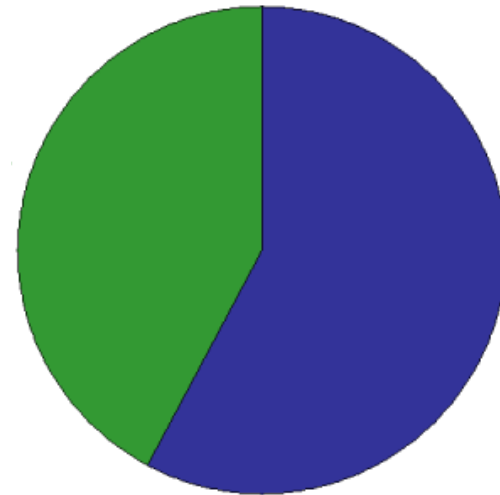

We definitely do not want to lose our teachers, so our only alternative is to pay them what is due them, which we will do. Please continue to agree with us in prayer that the government will "loose" the funds, as they promised, so we can pay our teachers on time. But if this does not become a reality, the we are the ones the teachers will be looking to for their needs to be met. We can not let them down again. At this time they are in need of encouragement - and not more discouragement.

IS THERE SOMETHING WE CAN DO so our teachers do not need to fear that they will face this "NO PAY" dilemma again?

Could our answer be in find-

ing more sponsors for our MTC children?

Many of our students are still waiting for someone to choose to sponsor them. At the present time, New Hope has 334 students attending MTC. Only 142 students have sponsors. This means, **192 CHILDREN STILL NEED SPONSORS.**

So far we have been blessed not to have to turn away a child because of the lack of funds. This is why finding sponsors for every MTC student is so critical at this time. We do not want to loose one child or even one teacher.

I believe we can do better financially at New Hope than going from month to month, just barely making it. I believe God wants New Hope to have an abundance in every area,

not just counting pennies. Plenty to meet our everyday ministry needs and plenty to share with others.

IN THE KINGDOM OF GOD A CHILD IS VERY PRECIOUS...

According to Matthew 19, children are very special... Jesus says in verse 14... **Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven.** With these words in mind, would you agree with me in prayer that we must do everything possible to give each child attending MTC, the opportunity to personally meet and accept Jesus as his or her Saviour?

I believe this is what New Hope is all about, and that is to do everything possible to provide for the body, mind and, most importantly, the soul of every child attending New Hope's MTC School.

HAVE YOU EVER THOUGHT ABOUT WHAT 82 CENTS A DAY CAN BUY? Can 82 cents buy a cup of coffee? I doubt it! How about a coke? Ice cream cone? No. But believe it or not, there still is something we can buy today for only 82 cents that will give us even greater joy than any double-dip ice cream cone. Here's what 82 cents can do!

82 CENTS A DAY COULD BE THE SAVING OF THE SOUL OF ONE CHILD... Yes, it is possible! Because 82 cents x 365 days = \$299.3 divide by 12 = \$25 a

month. That means that 82 cents a day = \$25 a month. This is just what it costs to pay one month for one child to attend MTC and part of that \$25 is used to help pay the child's teacher.

What a bargain and what a blessing for the child, the teacher and the sponsor. This gives the student the opportunity to attend an excellent school staffed by teachers with above average qualifications and receive an education which includes learning about computers, English and, most important, the Bible. What joy it will be for the sponsor to learn that the child he or she is sponsoring has accepted Jesus as his or her Saviour. It can't get better than that and nothing can give greater joy than that!

NOW IS A PERFECT TIME TO BECOME A SPONSOR... With so many children to choose from, it may even be possible to specify whether you wish to support a boy or girl, and in most cases, in what grade you wish to sponsor a child.

Or if you feel you can not financially support a child at this time, you may choose to pray for a certain grade or child who is in need of a sponsor. Whatever the Lord directs you to do, will be a blessing for you and MTC.

IF YOU CHOOSE TO SPONSOR A CHILD, YOU CAN WRITE A

LETTER TO HIM OR HER...

Another joy that can flow two ways when you sponsor a child is to write letters to the child(ren) you are sponsoring and receive letters and cards from them. An ocean of water can not stop a friendship from developing or stop prayers from being answered. So what if you never meet each other face to face here on earth, that can never nullify your friendship or hinder your love for your child from flowing through a written letter or card. Nor is there any mountain so high that can stop your prayers for one another from being answered. Isn't it wonderful to know that as we stay faithful to our Lord and Saviour, we can look forward to eventually meeting the child(ren) we have been sponsoring.

WILL YOU AGREE WITH US IN PRAYER THAT GOD WILL PROVIDE SPONSORS FOR THE FOLLOWING CHILDREN DURING THE MONTH OF JUNE???
