Dear Fellow New Hope Supporters,

Here we are at the end of another very busy month. Is there ever enough time to get everything done that we feel must be done? As you can see, we ran out of time this month and were not able to get out the News Break as we usually do.

Most importantly, we want you to know that your gifts of love and prayers to this ministry are not going unnoticed. It is your monthly support that makes the ministry of New Hope possible to the children of Nicaragua we are endeavoring to reach with Christ's love.

Recently God blessed us with the arrival of one of the two containers we shipped to Nicaragua. We praise the Lord that the first container arrived "safe and sound." We are believing for the same for the second container. In the containers are several million tracts, computers, clothes and almost 200,000 meals.

We appreciate Don and Sandy Fields and Kids Against Hunger, as well as, all those who worked with them in preparing and providing New Hope with these meals. What a difference this is going to make in New Hope's feeding program and what a blessing to the hungry children in Nicaragua. Again, it is a blessing to know that our containers are bringing the Nicaraguan people food for the body and food for the soul.

Thank you, Don Fields and those working with you, for your generous donation of these meals and your time in preparing them for shipment. We also want to thank those who donated the other items on the containers and those who were involved in getting these containers packed and on the way.

We are thankful that the health of all our children in the home is improving.

We are still moving forward with the building of the boy's home in El Crucero, as well as the home in Wasbam.

Let me thank you again for your faithful support of the children of Nicaragua through New Hope.

We also appreciate those of you who are sponsoring a child(ren). Your faithfulness in this means a lot to your child.

We are believing that all of the needs of New Hope are met according to His riches in Glory!!!

For the Children,

Brother Ford
