Bringing HOPE to the HOPELESS... FOOD to the HUNGRY... CHRIST to the PERISHING!

For the children

J. David Ford

Dear Friends of New Hope. I pray, as you receive this email, you are doing well.

I am in the process of compiling a new email list for 2010. Since many of my email addresses have no name connected to them, I really do not know who I am emailing. Your assistance in this will be a great help in updating our records.

If you are planning on continuing to make a difference in the lives of children in Nicaragua by supporting the ministry of New Hope through your prayers and giving in 2010, please, email me back.

I am looking forward to hearing from "all the friends of New Hope." It is very important for us to know who is, and who isn't, interested in receiving New Hope's News Break. We do not want to be a nuisance to those of you who prefer not to receive News Break.

After New Hope's email list is updated,

we will be assured that those of you who are receiving our News Break are interested in continuing to be an important part of the ministry of New Hope. It is because of your faithfulness in praying and/or giving to New Hope that we can continue to make a difference in the lives of children of Nicaragua.

I want to thank those of you who are making this ministry possible to the children of Nicaragua. It is truly amazing what the Lord has done... and is doing. And we know, the best is yet to come!!!

The Lord willing, Rose will be leaving this coming Sunday to spend about three months in Nicaragua. I plan to join her on the 30th. We appreciate your prayers concerning this upcoming mission's trip.

What a blessing! What a privilege it is to have the opportunity to share Christ's love with so many children. I wish all ministries working with children in Nicaragua were sharing the Gospel with them. But this is not the case.

However, with the ministry of New Hope, you can be assured, that besides providing food and clothing, we will continue to share Jesus with the children in Nicaragua.

We as Believers have been called by Christ to "go into all the world" and... do more

than offer humanitarian aid. Besides ministering to the children's physical needs, we have been called to take the Gospel to them. We want them to know how Jesus died on the cross for them, so they can live with Him forever!

By working together.... you and I can continue to meet these children's physical needs while we are sharing the love of Christ with them.

During this time of "thanksgiving"... in behalf of these precious children, we want to thank you for "being there" for them.

I wish you could be here with us in Nicaragua so you could see firsthand the tremendous difference your "prayers" and "financial gifts" are making in their lives. Someday... in eternity... I believe IT will all be revealed!

GOOD NEWS!!! OUR CONTAINER WITH OVER 200,000 MEALS JUST ARRIVED IN NICARAGUA!!!
