Bringing HOPE to the HOPELESS... FOOD to the HUNGRY... CHRIST to the PERISHING!

## TECHNICAL SCHOOL "UP AND RUNNING"

TEACHERS/PRINCIPALS/SANDINISTA GOVERNMENT OFFICIALS ARRIVING FOR CLASSES

**THERE WAS LOTS OF EXCITEMENT** on March 21st, their "first day of school." How amazing that God is using New Hope to train those who "train the children" of Nicaragua! Only God could have come up with such a plan!

From day one, the teachers/principals and government officials were "sitting on the edge of their seats" ready to learn.

It was never in our plans to train those who work with children in Nicaragua. But it was in God's plan!

We believe this is truly only the beginning of GREAT THINGS!

As God gives us "favor" with those who are involved in "molding the next generation" in Nicaragua, all we can say is... to God be the Glory! For He is doing GREAT THINGS!

for the funds to finish the roof... then the necessary finances to complete the rest of the building.

The good news is... this building will be very versatile as it will be used to not only train teachers, but for the educating of the children in New Hope's school as well.

This is a tremendous investment in the lives of the children in Nicaragua. What better investment can we make with so great a return?!?

Thanks for your "prayer of agreement" concerning this need.

**THANKS SO MUCH FOR STANDING** with the ministry of New Hope as we "push into new frontiers."

We are thankful to the Lord for the door He has recently opened for us to work with Nicaraguan educators.

The progress on our new technical building has been very slow due to the architect not completing the plans on schedule.

The Lord has already blessed us with \$20,000 of the \$39,000 needed to complete the roof for New Hope's 7,000+ square foot building. This gift is a great beginning, but this will only complete half of the roof. We are believing God will touch someone's heart to provide the additional funds so we can continue to build.

First, we are believing God

Your GIFTS and PRAYERS are making a difference in their lives! Through the ministry of New Hope, God is USING you in ways you know not.

THANKS FOR YOUR SUPPORT

**ALWAYS 100%**

It is true! ONE-HUNDRED PERCENT (that means ALL) of your gifts and money given to New Hope Children's Foundation... no matter the amount... will be used to help New Hope minister to the physical and spiritual needs of the children in Nicaragua. It's a promise!

Each month New Hope Children's Foundation is faced with numerous financial needs. As usual, "the needs" of the children we are endeavouring to minister to are "far greater" than New Hope's resources. But again, we are proclaiming... that "all of New Hope's needs are being met according to His riches in glory"!!!

To those of you the Lord directs to be a part of New Hope's outreach to the children in Nicaragua, we want to THANK YOU in advance for your prayers and gifts... **FOR THE CHILDREN!**
