Bringing HOPE to the HOPELESS... FOOD to the HUNGRY... CHRIST to the PERISHING!

IS "YOUR CHILD" WAITING TO HEAR FROM YOU???

Iona Halsey

"There is something special about children!" And these little ones are no exception! Having lived

in Nicaragua for three years and spending the third year starting More Than Conquerors Primary School, I know from experience, that these little ones are as lovable and precious as they appear in these pictures.

Most of our school children come from very poor homes with only one or two rooms, dirt floors, outdoor out-houses and cold showers (if they have access to running water). Very often, they may not have had very much to eat; and yet, these little ones come to school unbelievably clean, cheerful and ready to learn.

Brother Ford asked me to share with you something new and exciting. It's about sponsoring children for the "Saving of a Generation!"

Here is how it works:

1) For \$25 per child each month, you can sponsor one (or more) of our students. Our staff will choose your child. Just let us know what grade level you prefer and if you want to sponsor a boy(s) or girl(s).

2) This will ensure that your child(ren) receive a FREE education at MTC.

3) You will receive a card (like a credit card) with his/her picture and other pertinent info on it.

4) Your student will receive the same kind of card with your name on it as his/her sponsor.

5) Pictures of all the students and the last names of their sponsors, will be posted on New Hope's website.

6) If you continue to sponsor your child(ren) next year as he or she moves up into the next grade, you will receive a new card. This way you can watch your child grow!

I have already chosen the students I am going to sponsor. Not only will the children you sponsor be blessed by your giving each month, but you will be blessed as well! What an opportunity for a "double blessing."

THESE STUDENTS STILL NEED SPONSORS:

1st grade: **ALREADY SPONSORED PTL!**

2nd grade: 16 boys - 10 girls

3rd grade: 17 boys - 16 girls

4th grade: 15 boys - 16 girls

5th grade: 17 boys - 12 girls

6th grade: 11 boys - 21 girls

7th grade: 23 boys - 15 girls

8th grade: 9 boys - 15 girls

9th grade: 14 boys - 10 girls
10th grade: 9 boys - 19 girls
11th grade: 12 boys - 17 girls

That's right - 294 students still need sponsors! What an opportunity we have for... the saving of a generation! Please take sponsoring one or more of these children to the Lord in prayer... and whatever the Lord says to do... please be obedient, as even more is at stake than that child's education.

IF AT THIS TIME, YOU ARE ALREADY GIVING \$25 (OR MORE) EACH MONTH, FOR EACH \$25 YOU MAY CHOOSE TO SPONSOR A STUDENT IN THE GRADE OF YOUR CHOICE.

IF YOU ARE NOT NOW GIVING TO NEW HOPE, THERE IS NO BETTER TIME TO START!!!
